What Word Detective Resources (WDR) will do for your Students':

- Build and Extend Vocabulary - the Foundation of language and literacy
- Develops Phonological Awareness - this skill is necessary for reading and writing English
- Teach Phonics - the predictable relationships between phonemes & graphemes - teaches that words are made up of sounds that can be written down
- Teach Word Structure - why words are spelled the way they are. Students learn Spelling rules and conventions
- Teach Strategies for Reading and Writing - develop strategic reading and writing through the use of an *inquiry learning* approach

Word Detective Resources can be used with Foundation level, Lower, Middle and Upper Primary students and into Secondary level.
